DOE, RFFO

**BUILDING 123, TRANSMITTAL OF MODIFICATIONS TO PROPOSED ACTION
MEMORANDUM (PAM), REVISION 6 - KAD 028-098**

The purpose of this letter is to request that the DOE forward the Building 123 PAM, Revision 6, (Attachment 1) to the Regulatory Agencies for approval. Also attached, is a redline/strikethrough copy (Attachment 2) of the PAM and a Summary of Changes (Attachment 3).

Modifications to the Building 123 PAM are being made in accordance with the Rocky Flats Cleanup Agreement, Part 10, Changes to Work, Paragraph 123, which requires DOE to make written notice to CDPHE of its intent to make modifications to the work being done pursuant to the Building 123 PAM. The redline/strikethrough copy is being provided so that DOE and CDPHE can readily determine both the extent and context of the proposed changes. A summary of those changes is also included.

If you have any questions, please contact me at X6034.

Kent Dorr
Project Manager
